Pope Francis has established a World Day for Grandparents and the Elderly, which will take place for the first time on Sunday 25 July 2021 on the theme 'I am with you always' (Mt 28:20).

PRAYER FOR THE FIRST WORLD DAY FOR GRANDPARENTS AND THE ELDERLY

I thank You, Lord, for the comfort of Your presence: even in times of loneliness, You are my hope and my confidence, You have been my rock and my fortress since my youth! I thank You for having given me a family and for having blessed me with a long life. I thank You for moments of joy and difficulty, for the dreams that have already come true in my life and for those that are still ahead of me. I thank You for this time of renewed fruitfulness to which You call me. Increase, O Lord, my faith, make me a channel of your peace, teach me to embrace those who suffer more than me, to never stop dreaming and to tell of your wonders to new generations. Protect and guide Pope Francis and the Church, that the light of the Gospel might reach the ends of the earth. Send Your Spirit, O Lord, to renew the world, that the storm of the pandemic might be calmed, the poor consoled and wars ended. Sustain me in weakness and help me to live life to the full in each moment that You give me, in the certainty that you are with me every day, even until the end of the age. Amen.

New Pilgrim Path Website of the Week. "Listen to the entire Bible in 80 hours" "Listen to the entire Bible in 80 hours! David Suchet, the actor best known for his role as Agatha Christie's detective, Hercule Poirot, was raised without religion. In 1986, at the age of 40, he underwent a religious conversion after reading Chapter 8 of St Paul's Letter to the Romans in his hotel room. Soon afterwards, he was baptised into the Church of England. Since then, it has been his dream to make an audio recording of the whole Bible. He has now created the very first full-length audio version of the NIV Bible spoken by a single British actor. The end product is 80 hours of beautifully read Old and New Testaments.
