**Neighbourhood Watch**

Just a quick reminder to make sure you store your car and house keys in a safe place at home. We are still seeing a number of incident involving "key fishing" throughout the month of January. "Key Fishing" is where a burglar gets an object like a fishing rod and sticks it through a letter box with aim to pick up a bunch of keys from the hall of a house and then uses them to rob the residents car or the house at a later date. The rods can stretch great distances so please keep your keys in a safe place. This crime easily prevented. Don't forget to warn your Neighbours. If you have any questions or queries in relation to this information please do not hesitate to contact Terenure Garda Station at 6666400
